

Secure. Reliable. Documented.

**Offering Compliance, Security,
and Peace of Mind**

We are here for you. Call today.

Highland Recycling and Shredding is here to help you. In times of need, we understand. If you are left with your loved one's personal files and need a place to turn, know that we will give you peace of mind in secure document destruction of these files.

Simply drop off your loved one's files to be shredded at our facility. We will shred the first 50 lbs for free, (must show flyer during delivery) and \$.10 per lbs after, if delivered to our facility.

For a large quantity of shredding, please call for a free estimate.

We are a family-owned and operated corporation established in 1996.
