“ I met Abi at work a few months ago. I was sitting next to her that day and she looked over at me and said “you look like you can do hair. Will you curl my hair?” I told her I had actually just graduated from cosmetology school and she was in luck. We became inseparable after that. Everyone there knew of us being together she had become one of my best friends. I am deeply saddened by this loss and will forever miss you sweet Abi. You were too kind for this world ☐ rest in peace 🙏
