“ Aunt Ag was a very special lady. Aunt Ag was Mom's next youngest sister and Uncle Rollie was my Dad's younger brother. Mom and Dad selected them to be my Godparents. They couldn't have made a better decision. She was the sweetest lady. Being away from the family after college graduation, she always wanted to about my life in Dallas, who I was dating and later my kids. She was someone you could confide in and always gave helpful advice. I will remember our visits fondly, especially those with Mom just a few years ago. I have no doubt, she is in a better place and whole again with God and her family who went before. The Frank's are celebrating the arrival of their latest angel. Give Mom a big hug-I know she's been waiting for you. She always said, she couldn't go anywhere without you tagging along. RIP Aunt Ag. I love you and thank you. I will never forget the love you showered upon me whenever we were together. You were a special lady. Wish I had told you more often when you were still here but I know you know.
