“ Alan and I were graduates of St. Paul Highland, Illinois, Class of 1975. Because of a physical disability I used a wheelchair and crutches and needed assistance to and from class and get out of the building for fire drills, Alan assistance in making this happen was greatly appreciated. He was always helping others when he could. We remember him helping with Awana when we did also. He will be missed. He is enjoying his heavenly home & Savior.....he had a Beautiful Servant's Heart.

“ *I had the pleasure of working with Alan over the past six years. He is one of the most dedicated and focused persons you could ever care to meet. We would often talk about our families, and it was obvious how much he cared about his family, and for others around him. His dedication, thoughtfulness and calm persistence will be sorely missed.
