“ I'm so sorry Uncle Gary and Mike for your loss. Aunt Alice was such an amazing woman with such a big heart and such an amazing cook. She will be missed by so many and her memory will live on with so many she impacted. I know I have so very many memories from eating lunch together when she was still working and I'd run into her on my own lunch break or visiting at the house or from family events. Any time I needed advice and she was around she always gave me the best advice and helped me see things from all points of view. If you guys need anything and we can help don't hesitate to get ahold of me. It was good to see her Halloween and to atleast have the last memory being her smile. Love you guys.
