“ Dear Ann;  
*Kimberly contacted me last night regarding your losses. I am so very sorry. Sweetie, I hated to hear about your mother not even a year ago and now your dad. I can't even imagine what you must be experiencing, as I know you were close to your parents. It was heartbreaking to read that your dad visited your mother daily. The one consolation you may have is that they are reunited again; however, it does not lessen the pain you and your family are experiencing. I will keep you all in my prayers, Ann. With love, Cindy Stoll.*
