“ *To the family of Anastasia Stoff*

I would like to express my sincere sympathy to all of Ann's family - children, grandchildren, great grandchildren, and brother.

Ann was my first cousin and the true example of a "lady". Whenever you would talk to her you could feel her compassion towards you with her soft spoken voice and could see it in her smile on her face. She carried on her mother and father's kindness. I remember Aunt Lizzie when we would visit them and she would always say "niche" which was a German word for not?? Not sure of the translation but I'm sure you heard Ann say it too . Ann's mother was a sister to my dad, Frank Schrage, of St. Rose.

May your memories of your mother console all of you!!

“ *Always a sweet, pleasant, and always smiling person anyone would ever hope to meet and be friends with. Always enjoyed talking with her all the years Donna and I rode together. I know her friends and family will miss her but be rich in their memories. God Bless you all on your loss. Aimee and I won't be able to attend the services as we now live in Nashville TN but will keep the family in our thoughts and prayers.*
