“ Bev,

Do you remember me? It's "Powder" from the old Troy Summer Camp. I heard the news about Arron and am completely heartbroken. I haven't spoke to Arron in many years but at the same time I feel like it was just yesterday I took him to a Blues game after a day at camp. Arron was one of my favorite things about camp the many years I worked there. I have so many memories of him and I and the bond we had. He looked up to me, and though 11 years younger than me, I admired things about him. You're in my every thought and prayer. Hopefully we can connect sometime. Even at such a very young age he had a truthful perspective on God, us all being his children, and had deeply caring heart. I will have to share a story with you sometime in the near future.

Love always,

Chris K.

“ Arron was such a loving boy as a child & had those cute little chipmunk cheeks with that sweet, contagious smile! Then he, seemingly overnight, turned into this compassionate, and yet still, loving young man who believed in the Lord & carried his faith to others. Bless him now as he sees the Lord face to face and lives eternally in His house of peace. Bless you all, Bev & family, for demonstrating your unconditional faith & love to Arron during his life here on earth, and never doubt the difference you made to him. I love you all! ❤️🥹
