“ *No matter what was going on for her, Bettie's warm smile was quick and welcoming. She delighted in making people laugh and was generous with all she had. Thank you for being caring and leaving the world a better place.*

And I'm moved to share words from Elisabeth-Anne "Bessie" Anderson Stanley's poem

"She has achieved success who has lived well, laughed often, and loved much ... Who has left the world better than she found it: Whether an improved poppy, a perfect poem, or a rescued soul; Who has always looked for the best in others and given them the best she had ... "
