“ I love Betty and am so happy we met last year. I loved her humor and the different faces she'd make if she didnt like how something tasted or when the nurse brought her pills. We laughed during every meal. I miss my wonderful friend and will always remember you Betty.

“ *We may not make it to the visitation or funeral on Monday but I wanted to send to the family our deepest sympathy. Your mother was a beautiful person both outside and in. From the moment I met her I could tell she had a very gentle heart when it came to dealing with others. I know you will deeply miss her but know she is resting in the arms of God.*

To say Betty will be missed is an understatement. She entered Faith Countryside and stole the hearts of so many!!! She blessed each and every staff member she came in contact with. Her kind words, her "I love you's" and her genuine concern and compassion for others made everyone a better person and caregiver. She was the reason we all do what we do everyday at Faith. She was a true class act!!! Thank you Betty for the love you brought to all of us and thank you for allowing us the privilege to care for you. You will not be forgotten
