“ *Mike and Family - We are so saddened to hear about Beverly. We talked to her a while ago and caught up on everything with our families. Beverly was a special person and came to visit family in Tennessee for many reasons - happy occasions along with sad occasions. Her love for family was so evident in her life. She will be missed. “ Dear Tony and Jenny, Nicholas, Shaun and Abigail,

*You have hope unlike others in that you know you will see your mom again; you can take comfort in knowing she is with Jesus, who makes all things new. You will mourn her earthly loss but you can rejoice in the life she now lives in Heaven with her Father. Sandie*

“ *My mom loved her family so very much, she never wanted to miss a single birthday or holiday with us. She is looking down on us, wishing she could tell us not to cry too much, and likely being reunited with Grandma. Until we see each other again, I love you!!*
