“ Mom- I miss you more than words can express. A part of my heart is gone right now and it hurts so bad. I wish you were here so I could tell you one more time how much I love you. We are trying to do everything you wanted and we are trying to take care of each other. I am so very thankful for everything you ever did for me and for giving me a wonderful life. I am also thankful that you were the grandmother to my children- they couldn't have asked for a better grandmother. We all love and miss you. Melissa
