“ To all of Carol's family,
My sincere sympathy on the loss of your
mother, mother-in-law, grandmother, great
grandmother etc. We have known Carol since
1975 when she was raising her family. Just
saw this today but would have come to visitation last evening.

“ My sincere condolences to Carol's family. I noticed that the tribute wall says give condolences and/or share a memory. I think, where would I begin? Tammy and I were best friends in High School, and it wasn't always easy to keep up with us. Carol always greeted me with a smile and usually a compliment of some sort. I always got the feeling that she really liked me, and I in turn really liked her. She would often end the conversation with a little giggle and a smile. Again, I always felt that she was a friend of mine. Recently, Tammy reached out to me with a phone call and because her Mom was staying with her I was able to talk with Carol again after so many years. We didn't miss a beat. She spoke and that same warm affection filled my heart. It was very nice to get to talk to Carol again. Let me say again my condolences to the family. I will hold my fond memories of your mother/grandmother close to my heart. I will pray for peace and healing for the whole family. Let's all try to be as loving and generous to those around us as Carol always was to us.
