“ *For as long as I can remember Carol was a neighbor, friend, and fellow church member to our family. Her contagious laugh is still heard, echoing in my memory and all the choir rehearsals, faithful piano and organ playing made her a part of the fabric and foundation of Grantfork UCC. She always had something good to say, a smile to share, and an immaculate garden for all to enjoy as we drove by. The neighborhood is forever changed now that she has passed into her heavenly home. She will be greatly missed.*

“ As a child I remember how calm and encouraging Carole was to all the children at the Grantfork school while practicing and performing the plays/musicals. As an adult I was privileged to know her as a caring neighbor with beautiful flowers surrounding her home. She will be missed.
