“ *I had the pleasure of overseeing Celestes care at Faith Countryside Homes. She stole my heart from day one. I always referred to her as “my girl”. She really enjoyed our dances and i did too!!! When Faith closed i personally wheeled Celeste to the door and a piece of my heart went with her that day. There was always something special about her and i still have the videos if us dancing. Her smile and laugh will always stick with me!!! My heart is sad today, but also i feel so privileged to have been able to care for such a beautiful and special lady!!!*

*My deepest sympathies
