“ *My name is Jerry Loeh. I only met "Charlie" one time, last week at my brother, Alan's, wake. My brother passed away just before Christmas.*

Charlie was a very good friend of my brother...one of the Hardee's "coffee clutch" group.

My brother really spoke fondly of Charlie as a very good friend who was always enjoyable to be around with lots of stories.

In speaking with Charlie for only a few minutes, it was clear to me why my brother thought so highly of him.

I know they are smiling together, with their wives, telling their stories.

You my family's deepest sympathy on your loss; but, we can rest assured that both Charlie and Alan are in a better place and we will certainly see them and our other loved ones again.
