“ Susie and family: Dale was one of the nicest people I have ever met. You and your family are in my prayers!

“ I was a fellow classmate at Greenville High School, class of 1965. Dale and I played football, baseball and basketball together. In early summer of 1964 he broke his leg as he tried to run through the catcher to score in a summer baseball game. That incident illustrated his aggressive athletic nature. He did not heal well enough to play our senior year of football until about halfway through the fall football season. But he did play, when many other guys would have played it safe. Proud to have known and played with Dale. Les Krober, from Wenatchee, WA.
