“ *The first spanking I remember involved Uncle Darren and his Stretch Armstrong doll. I think I was given permission to play with it and before long I started wondering what was inside Ole Stretch. After a little while I found a tooth pick and stuck stretch. I panicked when stretch started bleeding I quickly put stretch away, only to be discovered later by Uncle Darren, in case you are wondering stretch is filled with blood, the rest is self explainable. I can still picture all of us at the trailer in NewDouglas at Uncle Darrens graduation party and he came through the door with this really cute girl. Everyone was vary happy I can remember dad saying that all grandpa wanted was all his kids to graduate high school. Uncle Darren also taught me the meaning of varmint, in his words "any critter dead in the road that you can't identify is a varmint". I will miss Uncle Darren he had a rough road and I'll remember his laughter.*
