“ *Dee was indeed a fun loving gal. I worked at the same federal building with her and commuted via the bus for many years. She was a real go getter, always full of life, and always willing to try new things. She will be missed by all who knew her.*

“ *I only knew Dee from Legacy Place, where my Mom also lived until she passed in December. I wanted to extend my sympathy to Dee's family and all who loved her. Our thoughts and prayers are with you.*

“ *DeAnn and I became friends when I started working in the Accounting Department with her at B-Line Systems in Highland. She always had a bright smile and a sense of adventure. She loved to tell stories and good jokes. We stayed in touch after I retired from B-Line in 1994. However, we lost touch over the years, but I would see her now and then. I will always remember her for the warm welcome she gave to the "new girl" at the office. Rest in peace, dear friend.*

“ *Hello Dear Friend Dee... This is a voice from the past and I have got to let your family know what a wonderful friend she was.. I lost track of her a few yrs ago.. She came to my beauty shop in Marine for quite a long time. She was very proud of life and had a heart of God. She will be missed by many people over the years. You didn't have to see her every day but a friendship was joined with the precious memories made together. Just remember all the good in life she did.*

Sincerely Sylvia Kauh...Marine, Illinois
