I had many laughs with Deb and spent many hours with her on the phone. She has a beautiful soul and loved her family dearly. I will miss her laughter and great sense of humor very much. My only consolation is she is happy and at peace with her beloved, Rich. My heart-felt sympathy to all her family; you were very precious to her.

Thank you for the kind words Gerry. My mom would get so excited when she got to meet you for lunch. She was so proud of the drawing she did for your sons business! She loved doing things like that.
