“ Dear Connie and family, I was so sad to hear of your Dear Mother's passing. So sorry to have missed her wake and funeral. Your family has always been a big part of our Salem Church family, and she was such a precious friend. I remember growing up with you at church and school, and when you all lived north of Alhambra on the old Schuette family farm. I remember your Dad always seemed so tall to me and walked so fast; stretching out his stride to cover as much ground as possible in as little time. What hard workers they were. They will not be forgotten.
Keeping you in my thoughts and prayers, Donna Gusewelle Yates

“ Connie and family, So sorry to hear your mom has passed. I think of you all often. Your parents were always so happy when I saw them. It has been years but doesn't seem that long ago when we worked together and the kids were growing up. Thinking of you all. Gail Royer

“ Please accept my long distance condolences. I have fond memories of your family and especially your mom's smile while attending Salem UCC many years ago as a kid. Just last week I opened a Salem UCC cookbook and used your mom's 'Never Fail Pie Crust' recipe and know she's smiling from heaven because she was right.....it never fails.....even in the high country of Montana where I live.
May you all find peace with your family memories.

“ I want to thank you for always making me feel welcomed. I will miss your kindness, and loving words. I will always keep in my heart how hard you helped prepare for me and Roxy's wedding. I remember how much I enjoyed your sandwiches and Connie making sure everything was just right-- It was wonderful watching you all work together. I new I was blessed to marry into a beautiful family. I will miss you... Frank Vasquez
