

Diana M. Beck, RN/MSN

September 28, 1956 - October 6, 2025

Diana Mary Beck, RN/MSN, age 69 of Pocahontas, IL, died Monday, October 6, 2025, at Meridian Assisted Living Memory Support in Glen Carbon, IL.

She was born on Friday, September 28, 1956, in Highland, IL, the daughter of Quintin and Dolores (nee Koch) Munie.

On Friday, August 25, 1978, she married Keith George Beck at the Immaculate Conception Catholic Church, Pierron, IL, who survives.

She was a member of Immaculate Conception Catholic Church. She was also a member of AORN (Association of Operating Room Nurses).

Diana was born in Highland, Illinois and grew up on the family farm southeast of Pierron, Illinois. She graduated from St. Paul High School in 1974. Diana started her education in nursing by attending Kaskaskia Junior College where she earned her RN. Continuing her education, she earned her BSN from McKendree University and then earned her MSN in Nursing from SIU-E. Diana loved nursing. During high school, she was a candy striper at St. Joseph's Hospital. While she put herself through McKendree, she worked at Chastain's Nursing Home. After receiving her RN, she worked at Anderson Hospital when they first opened. Her first job there was assembling chairs in the ER, as there weren't many patients. She continued to work there for more

than 20 years. Diana worked at many different hospitals through the years in the OR and ER departments. Her last nursing job was at Missouri Baptist as a OR Nurse Educator, where she worked for 5 years. In addition, she also taught at Goldfarb College of Nursing. She retired in 2019. Diana enjoyed gardening, reading and collecting teapots. She loved singing, and in her younger years she would sing at weddings and funerals. Diana enjoyed garage sales and hunting for a good bargain.

“ We are so sorry for the loss you and your family are going through. There was no one in this world to you like your mother. She was a very special person, and she will always be with you and her loved ones. May you look back on the precious memories and find peace in knowing that your mother raised an amazing person and was a crucial role for her grandchildren. Her role as a RN/MSN played a positive role in countless lives. We will gladly contribute to Alzheimer's Association to aid in Diana's continuing role in helping others. Our thoughts, prayers and love are with you and your family.
With all the love,

Mike, Mariya and Isaac

“ I remember Diana from as early as first grade we shared elementary school together at Immaculate Conception school in Pierron, then both went to high school at Saint Paul in Highland. We laughed about this later when we both tried out for the play Damn Yankees in high school and both got roles. She played Lola and I played Mr. Applegate. Had a great time. I will always remember her with fondness. The world will miss her.

“ My name is Susan (Koch) Burns and I am one Diana’s cousins. My sister and brothers, Pat (Koch) Mordini, C.B. Koch and Ed Koch were so sorry to hear about Diana. It has been many years since I have seen my cousins, but I do remember spending time at their home and having dinner with them. Our condolences to Keith and their family. Also to Joe and the rest of Diana’s siblings. It sounds like Diana ha a wonderful life and family as well as loving her profession. (Pat and I are RN’s too). The medical profession runs deep in the Koch cousins.

We hope the good memories help to ease your pain and bring you peace. My thoughts and prayers are with you all.

“ *Keith and family, I'm so sorry for your loss. I feel a great loss as well. I loved hearing Diana sing and was honored to have her sing at my wedding. I asked her if she would rather be a bridesmaid, or sing and music is what she picked. We had a personal inside joke that we carried on for years. Nothing terribly private, just too hard to explain.*
I was in Assisi Italy, at the Basilica of St Francis of Assisi and said prayers for her, probably at about the same time her soul left this earth. RIP Diana.

*My heart goes out to Keith and her family, I'm so sorry for their loss. I met Diana years ago at St Elizabeth Hospital. We immediately became friends. She was always my go to person for prayer and advice. I always knew I could count on her to be there for me. She was so kind hearted and caring. I miss her morning text messages. She got me through some rough times when my mom's health deteriorated. I'm so blessed to have had such a wonderful and dear friend and I miss her so much. I know one day I will see her again in Heaven. Sincerely
Kathy Hicks*
