“ I met Diana at McGown Teachers' Workshop Southern in the 90s and we continued to meet every year she attended. I was also her room mate at the ATHA Biennial in California in 2000. I was so sorry to hear of her passing. She was a wonderful woman, with an ever ready smile and a great sense of humour. She will be sadly missed.

“ My condolences to Diana's family. I met Diana in Ripley WVa at a teachers workshop many years ago. She always had a smile. I think I remember John coming one year and also a small, cute, very quiet dog. My memories of workshop are richer having met Diana.

“ Diana and I were best friends for several years while at Scott AFB. But life happened and we went our separate ways. I was greatly saddened to read of her passing, way too young, and distressed to know we lived so close and didn't know it all these years. Mrs. Hundsdorfer, I am so sorry. Please accept my deepest condolences.

“ Diana was my "sister" by choice and my dearest friend. We had so many shared interests that I know she will be with me always. So many road trips and adventures mean wonderful memories and I shall hold onto those.
