“ Hi Keith. I want to send my sympathy to you and your family. A fond memory of your mom is her Apple Pie. She made it quite often for my mom and dad and also for Vern and me a few times. She gave me the recipe and I make it all the time. Every time I do it reminds me of her and people tell me how delicious it is. I tell them it is from a friend of my mom and dad. Your mom and dad were very special to my mom and dad (Cletus and Loretta Griesbaum). Vern and Lucille (Griesbaum) Moehrs Waterloo, IL

“ I'm very sorry to hear about Delores. What a huge loss. I lived across the road from them for years. Couldn't wait for the holidays when Delores would bring over cookies. She was such a fine person and will be missed. Steve Krug

You have my deepest sympathy. I had the privilege of taking care of Ralph and Delores as one of their caregivers. I only was able to be with them only for a short time..but during that time I discovered two very sweet people. I will miss both of them..but realize they are with the Lord now. God bless the family..and may the Lord put his arms around each of you and you will know he is there. Judy Stanfield (Judy-Judy)-Delores use to call me that...always brings a smile when I think about it.
