“ As one of Delores' first cousins, I remember our family visits at uncle Otto and aunt Kates' farm. We cousins always had a great time together. Throughout her life, she was always someone I enjoyed spending time with, and although our lives took different paths, I will always have fond memories of her. She was a special lady.

“ *To my family,
I am so sorry to hear of Aunt Delores' passing. I do know that she is in a better place and is with all her loved ones who have gone before her. I know she is looking down on all of you with love & care as always has. I will miss her stories, jokes, and just all the wonderful times of being together. She is probably decorating her Christmas Nativity scene for All in Heaven to see. May God Bless her and all of you in this time of sadness, but yet joy, as she always had a smile on her face, and had so much warmth & love for everyone.*
