“ Aunt Doris was a such a loving mother and Aunt. When we were kids. My Brother Robert and I would go over and play Monopoly with Steve, Gail and Rick. Sometime's she would play with us. I always was out to win. Since Gail and Rick were younger . I would make deals on their properties. Which was to my advantage. Then Aunt Doris would be telling them don't do it . He is cheating you. Then I would keep talking to them. She would keep saying don't do it. Well most of the time I would make the deal. Then a little while later I would knock them out of the game and end up winning. Aunt Doris would say I told you he was going to win if you made that deal. She was so sweet and loving. I will miss her so much. But I have a lot of great memories. Thanks Aunt Doris love you I thank God all the time for Blessing my Mother Maragret Porter,Bill,Robert and Denis Porter for putting all of the Witschie family's in our life's. Thoughts and prayers are with your family Aunt Doris
