“ I have so many great memories from my younger years of helping Aunt Doris in the summers with her canning. Sometimes, I just watched her 4 little ones so she could be free to work, but other times, we would prepare the vegetables together to be canned. I had the privilege of babysitting when she and Uncle Earl would occasionally go out with their friends, and Aunt Doris would leave us with some of her wonderful homemade pizza. On her 30th birthday, one of the kids made a cute card with a funny poem about her turning 30 years old. I'll never forget how she laughed over that card. When I was there to help out when Brian was born, she told me she kept accidentally writing his name Brain instead of Brian:-) She was a wonderful lady. I will miss her but look forward to seeing her in Jesus' presence some day.
