“ *My Beloved Aunt Dorothy, you have been my rock, my second Mother. Anytime I was troubled and needed grounding, I could count on you, and the relaxation of long loving talks on the porch of the farm house, which always carried over into talks around the kitchen table. Your love and presents in my life have been a blessing and I will miss you terribly.*

“ *I knew Dorothy as a very compassionate and skilled nurse. I enjoyed talking with her and appreciated her wisdom as I was receiving her nursing services. I am an RN as well. My sympathy for her family.*

“ *Mike, Mark, I fondly remember, running into your mother in the grocery store, and other various businesses here in town. I always checked on both of you, and she always had kind words to say about both of you. I do remember both of you when you were in school. Your mother was one of a kind and a very sweet lady. I will remember her and put her in our prayers.*
