“ I am so blessed that Pat, Nancy and I visited her this past summer. She was a great garage saler. She loved to send boxes of goodies for special holidays and of course the mustaches for the Picnicski. So many memories of Christmas get togethers -Fun and games and good visits.

“ I am deeply saddened by Dorothy's passing. She was a dear friend, always kind and compassionate. Her love of family and country was without measure. Her contribution to the community thru her tireless efforts to protect the unborn were astounding. My family and I loved her and will miss her laughter. Deepest condolences to your family.
