Dwana (dwana don't wana), i am very sorry for your early passing through this period of time on earth. I guess the older we get, we forget about people like you that do not spend the time on earth as we complain of our ages. We are the ones that should rejoice in just knowing you.

Please do not hold someone's cig for as long as you held mine. May you "Rest in Peace".

“ Words cannot express the sorrow that I feel for you. No parent should ever have to lose a child. Our loving Creator knows how hard this is on you. We are told in the book of Ezekiel “for I do not take any delight in the death of someone dying, is the utterance of the Sovereign Lord .” As you can see, He does not like death anymore than we do. It is not his will for us to die which is why He has given us the hope of everlasting life! (Psalms 37:9-11, 29; Rev. 21:3, 4). As the God and Father of tender mercies, He wants you to find comfort in Him through prayer (2Cor 1:3).
