“ Dylan was one of my closest friends, he was a kind and funny. Always through jokes at me on my bad days. Lauren, my other friend and I went to homecoming with him my senior year. And it will be a memory never forgotten. The grief is heavy knowing that my last text to him a couple days before would be the last. The last game of smash bro's we would play on his break on work. The last song we would sing in different voices to each other. But it will all live in my heart. I wish his family the best and my deepest condolences. He was a great friend that will never be forgotten

“ *Every time we went to KFC we hoped he was working. He was the kindest person, an example of what you want your kids to be. I enjoyed joking with him, and he was always smiling and incredibly personable. Awesome young man, greatly missed, so lucky that I got to have those brief interactions with him. I must have talked to him two dozen times, just an amazing person.*

“ Dear Hummel Family, You have my deepest sympathy. Dylan was a kind sweet soul. He and I had many quick conversations as I drove through at KFC. It was just a few weeks ago that I ask him how school was going for him. Dylan for two years always greeted me with a smile. Please know that my heart is very heavy as I learn of his passing. You are all in my prayers.

“ *I am sad to hear this. He was such a nice young man that I only knew through the window of KFC. We would laugh about how I was "making dinner tonight" whenever I went there. I will miss his friendly face.*

“ I was Dylan's bus driver for a couple of years and he was always a great young man, no problem at all. I looked forward to hearing his voice across the speaker at KFC and he was happy each time I called him by name. He was a joy always smiling, quiet and kind and a good worker. My family looked forward to seeing him and I too would ask if he ever had a day off.
I am so sorry for your loss and for ours, we have truly lost an amazing person who
I am sure is working helping in Heaven right now.

“ My heart is just breaking right now hearing of this tragedy.... I didn't know Dylan except for the many times I went thru Taco Bell/KFC... (I didn't even know his name until now). He was always so friendly and always had a smile on his face... I remember asking him one time... "Do they ever give you a day off"... we laughed... He was a very nice friendly young man... my heart breaks and my thoughts & prayers go out to a family who I don't know but who I know are hurting... God be with you all.... To you Dylan... You were a special young man!

“ I'll never forget how excited Lauren was when Dylan asked her to go to the Homecoming dance with him her freshman year. It meant so much to her and she had a wonderful time! They have remained friends through the years and Lauren has lots of good memories. I have always enjoyed talking to him in the drive through at Taco Bell and saw him there often, Lauren and I looked forward to seeing him. Lauren sends her thoughts and prayers to you as she grieves with you, and know that you are in all of our family's thoughts and prayers as we also grieve with you.

Sincerely,

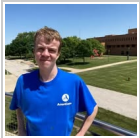

Stephanie, Lauren, and Tom Fillingim

“ I only knew Dylan from KFC. My card was declined and without hesitation, Dylan offered to buy my meal. He wouldn't take no for an answer. It meant the world to me because I've been on hard times and I never would have expected anyone to do something so selfless. I thanked him over and over while I was there, but I wish I could have the chance to return the favor. My thoughts and prayers are with the family. I'll never forget his act incredible act of kindness from that day.

“ Dylan was a very cheery kid as long as I knew him I worked with
him for a little over a year. Dylan will always be the kid that was
ready to work and willing to learn new things if you asked him to do
something new and I admired that the most about Dylan. It was nice
knowing you Dylan fly high.
