“ I knew Ed from his work with disabled adults. He was a wonderful person who spent a great deal of time working on behalf of disabled adults. The community was greatly enriched by his passion and his efforts. He fought the good fight for those who couldn't fight for themselves. There is a special place in heaven for him.

“ I knew Ed very well back in the days working at McDonnell-Douglas electrical center. A really great Supervisor who supported the entire team in getting products moving. Ed enjoyed his retirement years as I did see him at Rural King at times. Truly a great friend.
