“ I first met Eddie when Steve was my neighbor and he and Ruth would come visit Steve. Later on he got my mowers ready for use every spring. It was always a good time when he came to get them and then deliver them and we always spent a long time discussing the problems of the world. I am so glad he lived such a long life and enjoyed it so much. Take care, Steve and Janet and families. You have truly lost a gem of a father.
