“ I have fond memories, growing up, right around the corner from Betty and her girls. We spent a lot of evenings, there, playing, spending the night, catching lightning bugs in the back yard, etc. I still remember that silver Christmas tree that they would put up in the front room, every year. Betty was a kind, loving, gentle soul. I loved her like a second mom.

Rest in peace, dear Betty...

ME

“ I was a near neighbor of Betty in the 60s., you girls were friends with Debbie, Tracy and Julie Gruenenfelder. Mom and I were friends long after you were all grown up and had new lives. Every time I come down Trenton Rd, I think "I need to call Betty" and sometimes I did. She was a wonderful person, a good mom and a great friend. Please know that my family (including my girls) are praying for all of you. I saw the service is to be private but would sure appreciate being part of it. My prayers are with you all. Love, Mary Ellen Gruenenfelder
