“ *My mom liked to sit outside on the swing and talk. She named quite a few trees near the lake. There are five in a row, those were Ronnie, Donnie, Vickie, Walter, and Pam.*

There are two a little bit north of those, those are small. They were Bailey and Ella!

Along the driveway, up on a little hill where she has her Easter lilies, sits 4 more trees. Theses are named Jeff, Debbie, DeDe, and Clinton.

Kryst is in the back yard! Krystal told my mom that one day she was gonna be big enough to climb that tree, so the great big pin oak is Krystal.....Kira..... also has a tree.... It's the little one in the front yard..... Now across the driveway, in the front are several trees, lol, they are everywhere, but 4 were planted by squirrels, these are Stephen, Michael, Kevin, and Amber..... Neely is the little crabapple..... Woodrow and Dorothy shades her little garden spo out front... That's my grandma and grandpa.,.....Melvin and Ethel, her in law's whom she loved are across the lakealong with tress named for Denny's sisters , Connie and Sharon..... Five tree's are named for their children, and are as follows:: Michelle, Billy, Danielle, Jeff and Janean. Denny is the bash tree by the garage..... Her ginko was also Victoria..... My mom was a sweet heart and she really did sit and think of names for these tree's..... Which also tells you she was thinking of each and every person she named. Probably every time she looked at one she thought about that individual. And no doubt, was hoping that person wass having a good day.

I know that every time I look at any of them, I think of All the times she named them for me....., love you mom, DeDe
