“ Esther was a shining light in this world who never gave herself enough credit! She dropped off meals to family and little gifts to the kids. Esther always sent a card and gift to the little ones. I can truly say she was one of my favorite people! Fly high Esther, we love and will always miss you.

“ Sami and Annie, there are no words to describe the shock and hurt from the tragic death of your wonderful mother. She was one of the kindest, sweetest people I have ever known. Heaven has gained an angel and she and Jim are together again. I'm sure they both have gigantic grins on their face.

Esther and the Akers family have been a part of my life for as long as I can remember and her death hurts beyond description. I pray for the whole family's comfort and peace during this most difficult time.

“ Sami and Annie, I was beyond sad to hear the news. Esther was simply the best! I have so many fond memories growing up on VFW Road with Essie and Jim as our neighbors and the two of you as my everyday friends! They were certainly “Couple Goals”. She will be so missed here on earth, but heaven is surely rejoicing! 🥰
