“ Gary used to come over my house to watch MTV (Music Television Video) and would enjoy watching videos on the station hoping he would see the group KISS playing otherwise I would play my KISS record's and Gary would act like Gene Simmons with his tongue sticking out and having the time of his life. Rest In Peace My Friend And May God Grant You Peace And Light

“ I feel blessed to have found Gary at the Breese Nursing Home when I did. I cherish the time we were able to spend together. Like he did with everyone he met, he captured my heart. He was the kindest and most sincere person you could ever meet. Even in the midst of his many health issues, he never complained and amazed his caregivers with is loving personality. Until we meet again my little friend...love you like a brother!❤️
