“ My deepest sympathy and my thoughts and prayers are with you girls and your families. I have many, many fond memories of the years we spent together growing up, having your mom cut my hair and all the fun and laughter we shared thru the years. Every time I saw your mom somewhere she was always quick to speak and I enjoyed the many conversations with yer. She truly will be missed and I know she loved both of you girls and the grandchildren dearly. God Bless in your time of sorrow.
