“ It been years since we last saw each other, but I have such fond memories of playing softball in the lot next to your house growing up. How about the hockey games we had in high school at the Roller Rink across the street, or just hanging out at your house with your mom and dad.

May you all rest in peace. You will be missed.

“ We've enjoyed working with you and your family for over 35 years. We enjoyed hearing your robust voice and jovial personality when you stopped in the office. You were a sharp investor. We will miss you. May you rest in peace!
