“ One of my favorite memories of grandma is when my mom took me and april and grandma to see disney on ice, she loved the movie snow white, and she sang every song they played. Thanks to my grandma i can play somewhere over the rainbow on an organ! :)

“ My most treasured memories of my Aunt Jean are the times she was singing. Even as a little girl, I thought she had the voice of an angel. Hearing her sing always calmed and comforted me. Even after Alzheimer’s took her mind, she could still sing. This beautiful, loving, and gentle aunt of mine is singing in heaven now. I will always love you!
