“ *I have so many wonderful memories of all of my Grieves cousins. We lived in rural IN in the middle of no where, and getting together with relatives was the entertainment! Jeanne was always fun; the same age as one of my sisters. I loved going to their home; we played the player piano will we probably wore it out. As families grow up and move away, it is hard to stay in touch. I was so touched that Jeanne came to both of my parent's funerals even though it was a great distance from her home. I am so sad that I can't be there to meet Matthew, his wife and Jeanne's grandchildren. I never got to meet Tony and send thanksgiving that you cared for her this short month! We will be there in spirit. I know she was welcomed with a big party by all of our dear departed ones.*

*Sending love,

“ I met Jeanne just short while ago, and she made a very favorable impression on me. She was always very cordial and funny. I got to sample her crustless pecan pie, which was excellent. From what I understand she liked to cook and bake and her pies were a testament to that. I will miss seeing her around town very much. A lovely person who I will miss.
