“ My name is Scott Bullard, I was Jerry and Evas neighbor for over 10 years on division street in marine, hheand Eva were so incredible with our kids, he called the fart buckets, he was kind and funny, a real joy to be around, it broke our heart to move away but we stayed in touch until Eva passed and then we lost contact with Jerry. I know he and Eva are together again and heaven holds a wonderful place for spirits as kind and gentle as Jerry and Eva Mcgrew. I miss them every day.
