“ So sorry for the loss of dear Joan. I remember so many nights (many years ago) working with BPW women putting phenomenal scrapbooks together in your basement. We had so much fun and made life-time friendships. Earl & Joan shared many laughs at the Farmers & Merchants bank too. Our thoughts & prayers are with all of you not only for the loss but at this crazy virus period where we cannot share our sympathy. Joan knows how many lives she touched and the difference she made for all of us. God Bless

“ *Joan was a wonderful friend to me for many years. We worked together at Farmer's & Merchants Bank for several years. Every year she planned a Thanksgiving lunch at the bank for all the employees, doing most of the work. After she retired, she had a Xmas party every year at her home for all of us. We have stayed in touch over the years and I was blessed to be able to take Communion to her on a monthly basis during the past two years. She was always smiling and cheerful no matter how she felt. I was also blessed to call her "Cousin" as her mother and my father were distant relatives.*

She loved to walk and would take a stroll around town almost every day...always waving whenever I saw her.

Joan, thanks for your friendship.

Rest in peace.
