“ *I will always have him in my heart. He was almost 2 years younger than me, and we had a lot of fun and a lot of fights together when we were kids. I will miss him calling me and saying "What you doing" instead of hello. Love to all of you. Wish I could be there.*

“ *Love you all. Wish I could be there. I will always hold memories in my heart of fun times and fight times with my brother. We we're 2 years apart so we were together a lot when we were little. I will miss him and talking on the phone with him about once a month.*

“*Sadly, I don't have many memories with Uncle Bud, other than the Hagler family gatherings. He was always personable and willing to help in whatever needed doing. Bud seemed to be dedicated to his family, especially his wife Sue.*

A comforting thought is that Tracy will have his dad with him now and forever! May God bless Sue and the family during these trying times, and bring peace and prosperity into their lives.
