Just learning of John's passing. So sorry to hear. A terrific guy with some great stories. I was hired to work maintenance as a summer employee for HCUSD #5 in 1988. Was lucky enough to get to know John then. He twisted my arm to work the 4 Diamonds parking lot for the Madison County Fair. We worked every night of the fair in a drought-stricken summer and went home at the end of each night covered in layers of dirt and dust. I think we made \$75 for the whole week. Both of us were happy to have it. My condolences to John's family.
