“ Gary and I grew up together and have remained friends all these years. I still have to laugh at some of our antics growing up (thank you Alicia for putting up with the both of us) One fond memory for me was the time we had 40 buks between us and Gary talked me into buying lottery tickets. We scratched 39 and had won not a dime! Gary had the last ticket and in his charming Gary way, looked at me and smiled and said well, this is it my friend, and with that he scratched the last remaining ticket and wouldn't you know it was a \$500 dollar winner! We went and played the poker machines at the American Legion for the rest of the day. Gary could always make anyone smile and was a really good friend. Rest easy my friend. I'll see you on the other side.

Alicia,

Im so very sorry for your loss. I can't even imagine how you feel right now. I do know that you are a strong woman and you will get through this. Take care
