PS

*I remember seeing "Johnny" come home from the hospital as a newborn at 7 lbs 3 oz when I was a young girl. And I remember watching him grow and play as a child. When I was a teen, I carried his picture in my wallet with a borrowed title from Dennis the Menace: "The most squeezable little squirt ever to terrorize a household". And he grew up to be a kind and respectable man.
Rest in Peace John. Love from Aunt Pat.*

John was my oldest cousin, I always looked up to him. He visited regularly as I was growing up and the cousins still get together. John will be missed at all the future gatherings. He was a good and kind man, well loved. Rest in peace and in my memories.
