“ *The Highland Community lost a Great guy. I went to school with Joe, and he would come up to Lettie's Gas Station on his bike or lawn mower and have a long chat with me while I was working sitting in the wooden chairs. I am going to miss this guy, seeing him at Homecoming or at the Fairgrounds, it won't be the same. When he saw me, he would call me Essey, yes this guy will be missed. Deepest sympathy.*

“ *So sorry to hear about Joe, my thoughts & prayers go out to the family. When he was younger we had him cut our grass and sweep the floor, empty the trash at our family business (Highland Auto Parts) those were the good old days. Joe was always happy and all he would do is smile & laugh.... The Bill Alexander Family*

“ Joe was a very special person to me, I am his neighbor Kathy Schuman. He always cheered me up when you came to my house The first thing out of his mouth what always be what's up trouble? He would always stick my little boys bike when he needed it fixed. Before I broke my back last August I would always bring you a plate of food when I cooked He was so grateful to be receiving it. During the baseball game she would sit down at my house and we will talk about the Cardinals. He used to love sitting outside on my green lawn chairs with me during the summer And just talk. He made me a thing to put the card on it so the squirrels would have something to eat. The man was just a gentle soul And he would always talk about his lawnmower service And working at the Jaycees and the Madison County Fair He was so proud of himself. I couldn't take him anywhere in town Without everybody knowing joe. I sure hope everyone Knows about this and they're able to stay one more goodbye to joe, Every night that I come home And turn my car around and see his apartment door Saddens me to know I will never see him again. God bless the family And I hope you can find peace during this time No that joe Was dearly loved and whites by a bunch of people.

“ *To the Lange Family,
My deepest Symathy goes out to your whole family at the loss of Joe. I knew from High School on when we became close and we shared many phone calls and letters and he was a very special man in my life. He made me laugh with his stories about his work or the people he met and his overall good outlook on life despite his challenges. We shared health issues and sadly the last 10 years or so my health made it impossible for me to get to see him. He was a friend who loved me unconditionally whether I was able to call him when I was supposed to or not and I pray that he knew I always loved him. I will miss him. The world has truly lost a very special man. Shelley Busch Gilfoil*

“ *It saddens me to hear of the passing of my classmate and friend Joe. He always had a friendly "Hello" and enjoyed sharing a story with you. Although he faced challenges in his life, Joe volunteered his time and service to our town of Highland. He was self-sufficient as he would ride his bike, with lawn mower in tow, or drive his tractor to his next lawn cutting job. Joe was a very special person and member of our community. He will be greatly missed.*

When we lived on 13th street, Joe and his family were our neighbors. Joe was the best neighbor we could ask for. He was always there to help, and of course to talk about lawn mowers and the Cardinals. :) May his gentle soul rest in the arms of Jesus. The King family - Leamon, Kim, Cherry, Andy & Katie
