“ I don't know where to begin. Judy was a sister I never had, and I loved her with all my heart and soul .Her passing has absolutely broke my heart, I feel like I can't breathe anymore without her. I was so looking forward to her coming home, Seminole, Alabama, and that's one of the last things she told me she wanted to do. She loved her puppy like she was here child and I sure love puppy to. She brought so much happiness to myself and my kids and we will never forget her. Love you gf.

“ Where do I begin.... it was some 35 years ago when I first met Judy (aka "Grandma Judy" to all my children), she was someone you could not forget. Her spirit and joy was so uplifting! All of my children, Rachel, Christian and Carson would love to go to Grandma Judy's house and play in the summers. Judy, you were so loved and you will be missed!
Love always,
Leigh Anne Williams

Beautiful pictures of 2 beautiful ladies inside and out. Judy and Bev are the 2 sisters I never had. My heart is broken and I am afraid it will never mend from the loss of Judy.

We were sad to learn of Judy's passing. We only had the pleasure of knowing her for about five years but she was such a delightful person and she left her mark on our hearts! Our sincere condolences to her family.
