“ June and I worked together for many years at Heineman and Chaney Family Practice in Highland. She was my teacher for the practice with billing, charts and of course greeting patients. Our friendship was always special. If you knew June, you would never believe she was 103. May God Bless and bring comfort to her daughters and family. (I should have visited more often, please know that you were in my thoughts many, many times, June. Hugs to you in heaven.

“ I always enjoyed visiting June and my Grandpa Lester when they lived on Cardinal Lane in Highland. She always had a wonderful garden in the backyard. June introduced me to rosettes. They were delicious and something I always looked forward to. You were loved by many, Pam (Brackebusch) Born
